Manufacturer:

Description

Perfect for card reader systems or door access control systems, our retractable reels have a 36" cord, so you can conveniently extend your card all the way to a device.

Round Economy Badge Retractor - Slide Clip - Translucent Colors

The Economy Retractors on this page are the best of the imported units. They're tested to 60,000 pulls and available with options like translucent colors, a new swivel bulldog clip on the back and a Card Clamp™ end fitting that ends the need for slot punching.

Round Case (1-1/4" in diameter), Standard Slide Clip, Standard Strap End Fitting.

A label with your custom imprint can be affixed to the reels. The round case style fits a 3/4" diameter label. The square case fits a 13/16" x 13/16" square label. Choose a standard label or the lustrous domed label.
