The Thermal Printing Payroll Clock at a glance:

Auto Feed/Print Mechanism - Allows employees to punch in and out and eliminates feeding errors.
Left or Right Hand Feeding - Minimizes employee error when punching in and out.
Alarm/Music to Signal Beginning or End of Shift – This function can be turned on or disabled.
Clear & Crisp Printing - Thermal printing is clear and crisp and there is nothing else like it. Never struggle to read time cards again!
Adjustable Print Alignment - You can set print alignment and lock it; this eliminates time card printing errors.
Prints Front/Back of Time Cards - Reduce the time attendance costs of your business by printing on both the front and back of your time card (up to one month on a single card)
1 Year Warranty – One year manufacturer's warranty comes with every attendance punch clock. This warranty covers

manufacturer's defects not caused by incorrect use of the product.

30 Days Free Support - Free support through Time Clock Pros. If you have any questions or need help troubleshooting your payroll clock, Time Clock Pros has a technical support and customer service team ready to assist you.

Guarantee – Quality time attendance products are our goal. If for any reason our product does not meet the needs of your business, contact us and we will make sure that your needs are met (even if it is with another company's product).
